

Introduction to Watercolour

Instructed by: Lio Lo

This class covers basic brush techniques, colour mixing, composition as well as special effects that are subject specific. Demonstrations are presented at each class for a clear understanding of the medium and techniques.

Covered subjects include seascape, landscape, still life, floral and buildings.

Supplies will be provided for the first day.

Thursdays 6-8:30 pm @ SRHS
January 12th to February 16th
