

B. Current Waste Practices

1. Current collection contractor (or method of disposal)

2. Number of garbage bags per week

3. Number of recycling bags per week

4. Amount of organics per week (e.g., green cart, containers)

5. Amount of bulky materials per week (i.e., cardboard, Styrofoam)

6. Are there certain times of the year when your business produces more or less than normal? Please explain.

7. Any other comments?

**Please return completed form to: Valeria Kean, Waste Diversion Co-ordinator,
PO Box 280, 136 Hammond Street, Shelburne, NS, B0T 1W0**
