The Captain's Quarters is a family run business. For over 30 years Irène Ouellette and Wim Noback who live at the Captain's Quarters year round have greeted guests. They offer: 2 comfortable housekeeping cottages: 1 one-bedroom cottage and 1 two-bedroom cottage.

The property consists of four acres of oceanfront land with peace and tranquility; a sandy beach - walk down the lawn right onto Hunt's Point beach; explore a quaint little fishing harbour, just a 5 minute walk along the beach; play lawn games on the huge lawn in front of the cottages and house; enjoy an oceanfront sun deck to soak in the view and peaceful sounds of the ocean's waves. At night enjoy the wood fireplace. A pond and little babbling brook border the property.
