

## King Street Cottages

Listing URL: <https://www.municipalityofshelburne.ca/map/airbnb/king-street-cottages>

The Poppy Cottage is their biggest cottage that offers the privacy of your own home and a sleeper couch. The couch only folds out to a single bed size. All bedding is provided in the bedroom closet. Whether you are a couple or a small family of 3, you will feel the coziness of the space. Please note the bathroom is through the bedroom. Carefully decorated and designed by Vanessa, the owner of the property. The cottage shares a 1 acre yard for your own BBQ or to sit around a fire pit in the evenings. The space is fully equipped with a kitchen, 1 living room, 1 bedroom and 1 bathroom.

Within minutes walking distance to the waterfront, and to major shops and restaurants. A gem of a place for a great getaway from the the hectic life of the city. Walk down the road to the ocean waterfront, and visit the nearby museums and cafes - all within 5 to 7 minutes walk.

Pets are not allowed, however if you have a special need, please reach out and they will find a suitable solution. There is free parking on the property (for 1 car). If you need laundry done, please contact the hosts first, and there will be an additional charge.
