

## Pet Projects

Listing URL: <https://www.municipalityofshelburne.ca/map/charities-non-profits/pet-projects>

PET Projects is a partnering organization dedicated to helping pets in need in Shelburne County. We collaborate with pet owners, private rescuers, and community members to provide essential supplies, subsidized veterinary care, and support for adoptable pets. As a registered charity run by a small group of passionate volunteers, we're committed to making a difference in the lives of animals and their caregivers.
