

8(a)
Sept. 8, 2025

For M. Warren MacLeod, Erin Hartley,
Mrs. Heidi Wagner,

RECEIVED
SEP 08 2025

I think it is predominant and very essential, now that the weather in Summer is getting dryer and dryer, to support families who have a dug well that dries, to have financial help for them, to have a drilled well.

Thank you for your understanding and to help your taxes payers ~~that~~ who will ^{be} grateful for your thoughtfulness.

Sylvie Delorme
