IMPORTANT PROGRAM NOTICES

Registration for weeklong, half day and themed day programs are based on the grade participants are currently in, as of May 2026, not the grade they are going into next year.

To have a fair registration process, program enrollment will be limited for the first week.

Limits apply to the following programs:

Maximum 1 (one) weeklong program per participant (includes Sun & Sand, FUNtasticWet n' Wild and Fun in the Sun)

AND Maximum 3 (three) Themed Days per participant

There are NO registration limits on half-day programs, parent n' tot, youth or adult programming and swim lessons.

We will not be taking waitlists for the first few days of registration. Parents will be notified when registration limits are increased and waitlists open.
