Subject: Re: Fw: Public Questions

Hello [REDACTED]

Thank you for your email and for forwarding the list of submitted resident questions.

I wanted to confirm that the full list has been included in the agenda package for this week's Amalgamation Steering Committee meeting under Item 6.1, Resident Comments/Questions.

During the meeting, I plan to introduce the list and provide Committee members with an opportunity to answer or address the questions as they feel appropriate. Responses may differ based on each municipal unit's circumstances, and members may respond from the perspective of their individual Council.

Regarding your question about how agenda items are set, the agenda is prepared by the Chair in consultation with the three CAOs. Agenda items are based on the ongoing work and direction of the Committee and the Councils involved.

Thank you again for taking the time to submit and share these questions, and I look forward to the discussion. If you are able to join us Wednesday, please be sure to say hello. I look forward to meeting you.

Sincerely,

Derek Amalfa
Chair, Amalgamation Steering Committee
