To the Councilors of the Municipality of the Distrct of Shelburne,

My name is Michaela Smith, I am the Director of Yarmouth Airsoft. Founded in Yarmouth, the company has purchased a property in the Municipality of the District of Shelburne to host recreational activities and events. We hope to be a welcome and beneficial part of your community.

We previously presented our business to the council and would like to formally request a letter of support. This letter will be used to show good faith and collaboration between ourselves and the community. We hope that this letter will help us secure financing to help us launch our warehouse and create local job opportunities.

We thank you all for your time and consideration. Please feel free to reach out with any questions or concerns.

Best wishes,

Michaela Smith & Stephen Howatt
