TO: Shelburne Municipal Council
FROM: Val Kean, Community Development Coordinator
APPROVED BY: Trudy Payne, Chief Administrative Officer
DATE: May 11, 2022
SUBJECT: 2022/2023 Grants to Organizations Recommendations

ORIGIN

Each year the Municipality receives funding requests from organizations for the Grants to Organizations program.

RECOMMENDATION

It is recommended to Council:

THAT the Municipality of the District of Shelburne approve the recommended grant amounts attached, totaling \$61,760.75, to come from the 2022/2023 Grants to Organization, GL# 00-21950-791 and;

THAT the Municipality of the District of Shelburne approve the support for Shelburne County Chronic Illness Committee in the amount of \$2,500, to come from the Healthcare GL# 00-24970-000.

BACKGROUND

The Grants to Organizations application deadline was January 31st and all applications had to include a recent financial statement and budget. Applicants were required to be incorporated and in good standing with the Registry of Joint Stocks Companies or be affiliated with an organization that meets those requirements. Grant categories include an Operating Grant (programs/services/events) 50% of costs (excluding salary and wages) up to a maximum of \$5000 and a Capital Grant (facility repairs/equipment) 70% of costs up to a maximum of \$2,500. Applications are accepted in paper form and through the online application on the Municipal website.

Applications are reviewed by the Grants Committee for eligibility based on criteria that includes financial need, ability to contribute funds, additional funding sources, community need, sound business practices, efficient use of resources and inclusion of required documents (financial statement/budget). A preliminary list of recommended grants is then developed for Council to review.

DISCUSSION

A total of \$72,250 was approved in the Municipality's 2022/2023 Operating Budget for Grants to Organizations. A total of 34 applications have been received, requesting a total of \$66,510.75. The attached spreadsheet shows 33 of the organization applying for the grant, the amount requested from each organization

and the amount staff are recommending for approval. One application is still in the review stage pending the receipt of required documentation. It is recommended that Council consider distributing Grants to Organization Funding based on the attached amounts recommended by the grant review committee.

It is further recommended to Council that an application, received on behalf of the Chronic Illness Committee, requesting support of \$2,500, be considered under the allotted Healthcare amount in the 2022/2023 budget. The Chronic Illness Committee, servicing residents of Shelburne County, provide financial assistance to patients with chronic illness to offset costs of travel for medical appointments, medications, and medical equipment rentals.

BUDGET IMPLICATIONS

The amount of \$61,760.75, will be taken from the Grants to Organization GL# 00-21950-791, leaving \$5,489.25, for consideration of further requests throughout the 2022/2023 fiscal year. The amount of \$2,500 will come from the Healthcare GL# 00-24970-000.
